

PRAYER TO OUR LADY OF LA DAURADE

O Mary, faithful virgin and very pure mother, please bless the child I am bearing. Your son Jesus kissed the little children and wanted them to be close to him.

Therefore, I am grateful to God, the creator, for joining my husband and I in the gift of life.

Strengthen me in this expectation, bring my child to life, light and baptism. Grant him strength and goodness and make him sensitive to great things.

May he be open to God and committed to the church, to his family, to his country and to the world he will live in. Ward away from me every ounce of selfishness, desire of possession and useless dreams. The essential gift is a healthy soul and body : it is the only one I ask for my baby, the others will be additional.

Mary, mother of God, share with me those feelings you had when you were bearing Jesus. Prepare the heart of my child so that the Holy Spirit may live in him, may he love you and return the love I will give him.

O Mary, protect my husband and I,
protect our family
protect our child.

MASS EVERY SATURDAY AT 6 P.M. WITH THE BLESSING OF EVERY MOTHER WHO WISHES IT

For centuries, the Black Madonna has been the subject of a peculiar devotion for future mothers, women desiring a child or mothers who lost a child. Our Lady of La Daurade takes all of these women under her protection.

THE BELT OF THE BLACK MADONNA

I The protection of the Black Madonna is always sought by future mothers. It is a pledge of her motherly protection and of a happy and healthy delivery. The priest of La Daurade blesses these “belts of the Black Madonna” which are then sent everywhere in France and sometimes even abroad. They are wanted by expecting women and couples who are wishing for a child and asking for the intercession of the Virgin Mary.
